FROM: [redacted] OCA 25X1

SUBJECT: National Association of Public Administrators (NAPA).

1. The SSCI staff, Hall and Battaglia, have suggested to HPSCI staff that National Association of Public Administrators (NAPA) be used to conduct the study in place of the Presidential Commission as proposed by the HPSCI in Authorization Act (HR 2112). I don't know if you are aware of this proposal and if you have any reation to it?

2. Further, I found out through Calvin Humphrey that HPSCI, while they still want the Presidential Commission, is taking seriously the NAPA idea. He called to ask for a report which was done by NAPA a few years ago and to say they are looking into the qualification of this organization. I am looking for a copy of the report. I told Humphrey that the NAPA study was done so long ago that it was unlikely I would be able to find it.

3. Calvin than asked if I knew when [redacted] had served as DA. I gave him the approximate dates and followed by asking him if [redacted] was in anyway under consideration. Humphrey was evasive but suggested that [redacted] had approached them about "doing some work". I don't put anything together aound this contact, but thought you should know. 25X1 25X1 25X1

4. Any reactions or comments? [redacted] 25X1
